

How to Make a Flip Grid Video

Step 1 Go to flipgrid.com

Step 2 In the upper left hand corner, click on "Enter a Flip Code" and enter the Flip Code on Mr. Pyle's website on the "To Do List" page

Step 3 Log in with Google (blue icon)

Step 4 Enter your email. Your email is your school ID number. After you type your ID#, add @my.tvusd.k12.ca.us

- Example: 0070154321@my.tvusd.k12.ca.us

Step 5 Enter your password (birthdate)

Step 6 Scroll down and click on the large green "+" icon to make a video

- If necessary, click on the "Allow" button if that pops up at the top of your screen

*Your child's username and password are the same as their "CLEVER" log in found on their neon colored card
