

HIGH SCHOOL COMMUNITY SERVICE LOG

TVUSD Graduation Requirement

Students must serve 40 hours of community service to graduate. A commitment to community service is viewed favorably in the college application process and can provide work experience, which could lead to employment. **Community service hours must be fulfilled at a NON-PROFIT agency.** Please use this requirement as an opportunity to learn about yourself and your interests.

Sign below that you understand the community service requirement and the definition of a **NON-PROFIT** agency. Community service hours must be for a **NON-PROFIT** agency; no money or credit; not for your family or a neighbor. Must be signed off by agency personnel (parent signatures are not allowed).

Community Service **MUST BE DONE FOR A NON-PROFIT ORGANIZATION**. It is your responsibility to make sure this is a non-profit organization **before** you do the work. Ask them for a non-profit tax ID or ask us in the Counseling Office. Hours that do not qualify will not be counted. This form must be turned in to the Counseling Office to complete the graduation requirement. (Hours served on probation do not count for community service credit.)
