

Technology Use Contract

BELLA VISTA MIDDLE SCHOOL TECHNOLOGY USE CONTRACT

The classrooms at **BELLA VISTA MIDDLE SCHOOL** have many features. This year, you will be using small chrome books and scientific/graphing calculators in the classroom and possibly the computers in the library. At **BELLA VISTA MIDDLE SCHOOL** we believe that technology is not only a tool to improve your learning while in school, but also a tool to improve your ability to successfully navigate life. Please read the following carefully.

TECHNOLOGY USE-STUDENT AGREEMENT

1. Access to the computers by all students is extremely important; any actions that might harm the equipment or software, or impair their effective use **will not be tolerated**.
2. Accessing any files, documents, applications, etc. other than your own without permission will have severe consequences.
3. Follow teacher directions precisely when using any equipment. Only do what you are directed to do.
4. Flash Drives may not be used in the classroom or library without special permission from a teacher or staff member.
5. Cell phones or your own electronic devices may not be used in the classroom or library without special permission from a teacher or staff member.
6. The Internet Access is only available to those who have signed the **Acceptable Use Policy**. On the Internet:
 - ❖ No **downloading** without permission
 - ❖ No **installing**
 - ❖ No **Chat rooms, Instant Messages** or other forms of internet communication (e-mails)
 - ❖ Although there are filters that block inappropriate sites, nothing is foolproof. In the event that you encounter a site that is inappropriate for school, **report** this to your teacher immediately. If you access inappropriate sites or information at school, severe disciplinary action will be taken
7. Failure to comply with this agreement could result in you losing your privilege of using technology equipment at school.

Before using any technology at **BELLA VISTA MIDDLE SCHOOL** you and a parent/guardian must agree to abide by the requirements above. Mr. Tapie has embedded this agreement into his new student survey form. By checking that box, you have agreed to abide by all requirements above.
