- 1. Copy of student's Driver's License, CA state ID, or School ID**
- 2. Copy of Student's Medical Card (if available)**
- 3. List of any Medications that Students will need to take if needed:**

Medications student is authorized to take:

Please describe what it is, when it is taken and how much:

Participation Agreement / Behavior Plan

Student First and Last Name:

Participants are REQUIRED to sign and follow the participation guidelines and behavior plan to participate in the AVID College Campus Tour 2020.

Any student that does not abide by any of the following, can and will be sent home at his/her parent's expense.

Students: You are expected to represent yourself, your family, and your school with integrity. Based on the success of this trip will dictate if GOHS can continue this trip each year for the AVID program. We are placing a lot of faith in you and believe that you can make positive decisions that will make this a continued tradition for years to come!

Before the Trip:

- Arrange with your parents a regular time in the morning or evening that you will either call or text to check in. Daily communication is important for your parents to know that you are safe and getting the most of the trip that they are funding for you!
- Your luggage can and will be searched at any given time. Do not bring anything that isn't allowed at school, nor bring anything that you can afford to lose or break.

During the Trip:

- Students will be assigned a chaperone for the entire 3 days. This chaperone is who the student will ride with, check in with, report to, and refer to for permission throughout the trip. This chaperone will NOT change for the duration of the trip. You must notify your chaperone of your whereabouts at all times-- keep your cell phone on!
- Students will be required to wear their seat belts while the car is in motion!
- Students CANNOT go into any hotel rooms of opposite genders at any time, day or night.
- Students CANNOT be alone with students of the opposite gender at any time.
- Students need to stay in groups of no less than three students at all times.

Room Checks/Lights Out -- 11:00 pm nightly

- Once room checks are done for the night, lights are to be out, and students will NOT be allowed to leave the hotel room until morning. If for any reason the student will need to open their door, they will need to contact their chaperone immediately, BEFORE opening door (ie extra towels, vending machine, ice, etc.)
- Students are to stay in their assigned room. Roommates cannot change nor can rooms be filled up with multiple students for a "slumber party".

Financial Responsibilities:

- You are responsible for the payment of all food that you order.
- No room service can be ordered nor allowed.
- You are responsible for any bills you incur (telephone, data)
- Please do not borrow or lend anyone cash during trip.

Behavior Expectations:

- Students are expected to treat chaperones and other students with mutual respect and kindness. There shall be no actual, attempted, or threatened physical injury to any person.
- Please report to chaperones if there are any problems with any students that need to be addressed. "Personality conflicts" are normal and expected, and the sooner it can be resolved the better for the students and ultimately the group.
- You will not disrupt activities as planned or behavior in a manner that dishonors our group, AVID program, or school.
- No weapons, alcohol, narcotics, or anything that's prohibited at school and for minors.
- GOHS dress code will be enforced at all times.

Any infraction of the above rules will result in disciplinary action such as:

1. Being sent home at parents expense
2. Being disciplined upon your return to school (Sat school, OCR, suspension)
3. Exited from the AVID program

By my signature below, I hereby agree and consent to the participation terms and behavioral conditions required. I understand that if I do not follow the agreement, I can and will be sent home at my parent's expense.
